

# COVID-19 Impact and Recovery Report: Travel-Related Measures

Updated: July 21, 2021

This document provides an evergreen assessment of the situation in Canada. It has the following sections:

- Travel-Related Measures:** A summary of the travel and tourism-related measures in place in each province and territory. A map outlining the current travel restrictions and self-isolation requirements is available on Destination Canada’s website: <https://caen-keepexploring.canada.travel/canada-nice#canadamap>
- Methodological Notes:** An explanation of the methodologies in the different sections and relevant sources.

## 1. TRAVEL-RELATED MEASURES

In addition to federal government testing procedures and potential isolation requirements for those who are eligible to enter Canada<sup>1</sup>, individual provinces and territories have implemented measures on travel between provinces and territories. The below table outlines self-isolation requirements for domestic travellers entering into each province or territory, as well as restrictions on travel across provincial and territorial borders. Tracking these measures is challenging given the fluid nature of COVID-19. This information was collected by provincial and territorial tourism marketing authorities and relevant tourism departments and current as of July 21, 2021.

### Travel Measures

	Traveller self-isolation required?	Travel restrictions?
<b>British Columbia</b> <sup>2, 3</sup>	● No self-isolation for domestic travellers entering British Columbia.	● No travel restrictions for domestic travellers entering British Columbia. Some Indigenous communities in BC are not welcoming visitors at this time. <a href="#">Indigenous Tourism BC</a> has a list of Indigenous experiences in the province that are currently open and welcoming visitors.
<b>Alberta</b>	● No self-isolation for domestic travellers entering Alberta.	● No travel restrictions for domestic travellers entering Alberta.
<b>Saskatchewan</b>	● No self-isolation for domestic travellers entering Saskatchewan.	● No travel restrictions for domestic travellers entering Saskatchewan.
<b>Manitoba</b> <sup>4</sup>	✘ 14-day self-isolation required for all domestic travellers entering Manitoba, except for people who are fully vaccinated, essential workers and specific exceptions.	✘ No travel restrictions for domestic travellers entering Manitoba but people not fully vaccinated will need to self-isolate upon entering. Travel to and from northern Manitoba is restricted and non-essential travel is discouraged, unless travellers are fully vaccinated.
<b>Ontario</b> <sup>5</sup>	✘ 14-day self-isolation strongly advised for all travellers entering Ontario.	● No travel restrictions for domestic travellers entering Ontario. Based on community needs, some municipalities and local medical officers of health have exercised their authority to implement more restrictions or requirements; it is advised to check status before travelling.
<b>Quebec</b>	● No self-isolation required for domestic travellers entering Quebec.	● No travel restrictions for domestic travellers entering Quebec.
<b>New Brunswick</b> <sup>6</sup>	✘ Residents of Atlantic Canada (Nova Scotia, New Brunswick, Prince Edward Island and Newfoundland and Labrador) plus Avignon and Témiscouata counties in Quebec are not required to self-isolate upon entering New Brunswick; cross-border commuters and truck drivers are no longer required to self-isolate.  Canadian travellers with at least 1 dose of vaccine are not required to self-isolate. Canadian travellers without a vaccine must self-isolate upon entering New Brunswick, with testing on day 5-7 and release with a negative test.	● No travel restrictions for domestic travellers entering New Brunswick. <a href="#">Travel registration</a> is required for travellers residing outside of Atlantic Canada.

	Traveller self-isolation required?	Travel restrictions?
<b>Nova Scotia</b> <sup>7, 8</sup>	<p style="text-align: center;"><b>×</b></p> <p>As of June 30, there are no self-isolation requirements for travellers from Prince Edward Island, Newfoundland and Labrador and New Brunswick.</p> <p>Travellers from other Canadian provinces and territories follow self-isolation protocol dependent on vaccine status: 2 doses at least 14 days before arrival = no self-isolation; 1 dose at least 14 days before arrival = 7-day self-isolation and 2 negative tests; no vaccine = 14-day self-isolation.</p>	<p style="text-align: center;">●</p> <p>As of June 30, there are no travel restrictions for travellers from Prince Edward Island, Newfoundland and Labrador and New Brunswick.</p> <p>There are no travel restrictions for travellers from other Canadian provinces, but they must complete the <a href="#">Safe Check-in Form</a> and refer to the self-isolation protocol dependent on vaccine status.</p> <p>As of July 5, Nova Scotia is aligned with the Government of Canada protocol for international travellers and has no additional restrictions.</p>
<b>Prince Edward Island</b> <sup>9</sup>	<p style="text-align: center;"><b>×</b></p> <p>As of June 27, partially or fully vaccinated people travelling to Prince Edward Island from within Atlantic Canada or the Magdalen Islands and who have a <a href="#">PEI Pass</a> do not have to self-isolate, subject to rapid testing at point of entry.</p> <p>As of July 18, fully vaccinated people travelling to Prince Edward Island from within Canada, but outside of Atlantic Canada, and who have a <a href="#">PEI Pass</a> do not have to self-isolate, subject to rapid testing at point of entry.</p> <p>Unvaccinated or partially vaccinated PEI residents and Canadian visitors travelling from within Canada, but outside of Atlantic Canada, are required to complete a declaration form and self-isolate for 8 days, with testing at point of entry and on day 8.</p>	<p style="text-align: center;">●</p> <p>As of July 18, all Canadian residents can travel to Prince Edward Island with restrictions for those who do not have a <a href="#">PEI Pass</a>.</p>
<b>Newfoundland and Labrador</b> <sup>10</sup>	<p style="text-align: center;"><b>×</b></p> <p>Permanent residents of Atlantic Canada who have not travelled beyond Atlantic Canada in the last 14 days are not required to self-isolate regardless of vaccination status.</p> <p>As of July 1, fully vaccinated Canadian residents have no testing or self-isolation requirements. Partially vaccinated Canadians must present a negative test result administered within 72 hours of arrival, or self-isolate following arrival until receipt of a negative test result. Unvaccinated Canadians must self-isolate for 14 days. Mixed groups of vaccinated and unvaccinated adult travellers must follow the rules for unvaccinated travellers.</p>	<p style="text-align: center;">●</p> <p>As of July 1, all Canadians are permitted to enter Newfoundland and Labrador. All travellers must submit the <a href="#">Travel Form</a> within 72 hours of their expected travel date.</p>
<b>Yukon</b> <sup>11, 12, 13, 14</sup>	<p style="text-align: center;"><b>×</b></p> <p>Travellers who are fully vaccinated with a Health Canada-approved vaccine may enter Yukon without self-isolating, providing their <a href="#">vaccination status can be confirmed</a>. Children under 12 will not have to self-isolate if travelling with a fully vaccinated parent or caregiver.</p> <p>Mandatory 14-day self-isolation for all travellers who are not fully vaccinated entering Yukon with few exceptions; self-isolation must occur in Whitehorse unless visiting a family member (in which case self-isolation may occur at that residence).</p> <p>As of August 4, no self-isolation required for all travellers entering Yukon.</p>	<p style="text-align: center;">●</p> <p>Yukon has no travel restrictions, but people not fully vaccinated will need to self-isolate upon entering the territory. There is enforcement at land borders and airport, as well as mandatory travel routes for transiting through Yukon. Several First Nations governments and communities currently have <a href="#">travel advisories</a> in place. Travellers are asked to travel <a href="#">responsibly</a> and follow the <a href="#">Safe 6. plus 1</a>.</p>
<b>Northwest Territories</b> <sup>15, 16</sup>	<p style="text-align: center;"><b>×</b></p> <p>No self-isolation required for fully vaccinated admitted travellers into the Northwest Territories (residents, non-resident essential workers or travellers with an exemption). Fully vaccinated travellers going to communities other than Yellowknife, Inuvik, Fort Smith, Hay River, Fort Simpson and Norman Wells require a COVID-19 test on days 1 and day 14. Mandatory 8-day self-isolation for partially vaccinated admitted travellers with a COVID-19 test on day 8. Mandatory 10-day self-isolation for unvaccinated admitted travellers, including children under 12 and household members who did not travel, with a COVID-19 test on day 10.</p>	<p style="text-align: center;"><b>×</b></p> <p>Leisure travel into the Northwest Territories by non-residents is not permitted. Exemptions are considered for compassionate reasons, family reunification, exceptional circumstances, travel from Nunavut or Yukon, and remote tourism with tourism operators with plans approved by ProtectNWT.</p>
<b>Nunavut</b> <sup>17</sup>	<p style="text-align: center;"><b>×</b></p> <p>No self-isolation is required for admitted travellers who are fully vaccinated, with proof of vaccination.</p> <p>Mandatory 14-day self-isolation for all travellers returning to their home communities from Iqaluit, except for fully vaccinated travellers.</p> <p>Mandatory 14-day self-isolation for all admitted travellers prior to boarding a plane to Nunavut, except for those travelling directly from Churchill, Manitoba and Northwest Territories; mandatory isolation must occur in government designated sites in Edmonton, Winnipeg, Ottawa or Yellowknife.</p>	<p style="text-align: center;"><b>×</b></p> <p>Common travel area with Churchill, Manitoba and Northwest Territories; prohibition on all other travel into Nunavut, except residents and critical workers who require written permission from the territory's Chief Public Health Officer to enter. Non-essential travel within Nunavut is not recommended.</p>

Most Parks Canada places will be open and welcoming visitors with adjustments to access and services. Access to visitor facilities and services may be limited. Please consult the Parks Canada website for an updated list of specific Parks Canada locations with special instructions: <https://www.pc.gc.ca/en/voyage-travel/securite-safety/covid-19-info#locations>

Most provinces and territories have implemented a framework to guide re-opening strategies catered to their individual circumstances. Since each province and territory is starting from a different baseline to implement the reopening of their local economy, the phases and stages are not congruent across jurisdictions. The table below outlines the current status of restrictions on tourism-related sectors as of July 21, 2021. Unless noted, persons must gather and business must operate with sufficient social distancing measures in place. Many destinations require non-medical masks to be worn and all visitors should plan on having masks ready if needed.
