

COVID-19 Impact and Recovery Report: Travel-Related Measures

Updated: October 6, 2021

This document provides an evergreen assessment of the situation in Canada. It has the following sections:

- Travel-Related Measures:** A summary of the travel and tourism-related measures in place in each province and territory. Current travel restrictions and self-isolation requirements are also available on Destination Canada's website: <https://caen-keepexploring.canada.travel/covid-19-traveller-guidance>
- Methodological Notes:** An explanation of the methodologies in the different sections and relevant sources.

1. TRAVEL-RELATED MEASURES

In addition to federal government testing procedures and potential isolation requirements for those who are eligible to enter Canada, individual provinces and territories have implemented measures on travel between provinces and territories. Please consult the Government of Canada website for the latest federal travel requirements: <https://travel.gc.ca/travel-covid>.

The below table outlines self-isolation requirements for domestic travellers entering into each province or territory, as well as restrictions on travel across provincial and territorial borders. Tracking these measures is challenging given the fluid nature of COVID-19. This information was collected by provincial and territorial tourism marketing authorities and relevant tourism departments and current as of October 6, 2021.

Travel Measures

	Traveller self-isolation required?	Travel restrictions?
British Columbia 1, 2	<p>No self-isolation for domestic travellers entering British Columbia.</p> <p>No self-isolation upon entering British Columbia for fully vaccinated foreign nationals provided that they meet specific entry and testing requirements. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering British Columbia, but must follow strict public health measures that include avoiding crowded settings.</p>	<p>No travel restrictions for domestic travellers entering British Columbia. Some Indigenous communities in BC are not welcoming visitors at this time. Indigenous Tourism BC has a list of Indigenous experiences in the province that are currently open and welcoming visitors.</p> <p>Non-essential travel to or from the Interior is discouraged until individuals are fully vaccinated.</p> <p>Fully vaccinated foreign nationals can travel to British Columbia provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
Alberta	<p>No self-isolation for domestic travellers entering Alberta.</p> <p>No self-isolation upon entering Alberta for fully vaccinated foreign nationals provided that they meet specific entry and testing requirements. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Alberta, but must follow strict public health measures that include avoiding crowded settings.</p>	<p>No travel restrictions for domestic travellers entering Alberta.</p> <p>Fully vaccinated foreign nationals can travel to Alberta provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
Saskatchewan	<p>No self-isolation for domestic travellers entering Saskatchewan.</p> <p>No self-isolation upon entering Saskatchewan for fully vaccinated foreign nationals provided that they meet specific entry and testing requirements. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Saskatchewan, but must follow strict public health measures that include avoiding crowded settings.</p>	<p>No travel restrictions for domestic travellers entering Saskatchewan.</p> <p>Fully vaccinated foreign nationals can travel to Saskatchewan provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
Manitoba ^{3, 4}	<p>No self-isolation upon entering Manitoba for fully vaccinated domestic travellers. Partially vaccinated or unvaccinated domestic travellers must complete a 14-day self-isolation. Unvaccinated children under 12 years of age of fully vaccinated domestic travellers are exempt from self-isolation.</p> <p>No self-isolation upon entering Manitoba for fully vaccinated foreign nationals provided that they meet specific entry and testing requirements. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Manitoba, but must follow strict public health measures that include avoiding crowded settings.</p>	<p>No travel restrictions for fully vaccinated domestic travellers entering Manitoba. Partially vaccinated or unvaccinated domestic travellers are required to self-isolate.</p> <p>Travel to and from northern Manitoba is restricted, with exceptions for those who are fully vaccinated, those who are travelling directly to cottages, provincial parks, campgrounds or hunting and fishing lodges, and other specific exceptions.</p> <p>Fully vaccinated foreign nationals can travel to Manitoba provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
Ontario	<p>No self-isolation required for domestic travellers entering Ontario.</p> <p>No self-isolation upon entering Ontario for fully vaccinated foreign nationals provided that they meet specific entry and testing requirements. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Ontario, but must follow strict public health measures that include avoiding crowded settings.</p>	<p>No travel restrictions for domestic travellers entering Ontario.</p> <p>Fully vaccinated foreign nationals can travel to Ontario provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
Quebec	<p>No self-isolation required for domestic travellers entering Quebec.</p> <p>No self-isolation upon entering Quebec for fully vaccinated foreign nationals provided that they meet specific entry and testing requirements. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Quebec, but must follow strict public health measures that include avoiding crowded settings.</p>	<p>No travel restrictions for domestic travellers entering Quebec.</p> <p>Fully vaccinated foreign nationals can travel to Quebec provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>

Traveller self-isolation required?

Travel restrictions?

<p>New Brunswick 5, 6</p>	<p>As of September 22, no self isolation required for fully vaccinated domestic travellers entering New Brunswick. Unvaccinated or partially vaccinated domestic travellers, including New Brunswick residents, are required to self-isolate for 14 days, or until receiving a negative result from testing on day 10.</p> <p>No self-isolation upon entering New Brunswick for fully vaccinated foreign nationals provided that they meet specific entry and testing requirements. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering New Brunswick, but must follow strict public health measures that include avoiding crowded settings.</p>	<p>As of October 8, travel to and from circuit breaker regions (Zone 1 – Moncton region as far north as and including Sainte-Anne-de-Kent; Zone 3 – upper Saint John River valley north of and including Florenceville-Bristol; and Zone 4 – Edmundston region) is restricted to those who must travel for essential reasons or to events where proof of full vaccination is required.</p> <p>As of September 22, all Canadian residents entering New Brunswick, including New Brunswick residents re-entering the province, must pre-register, with restrictions for those who are not fully vaccinated or unvaccinated.</p> <p>Fully vaccinated foreign nationals can travel to New Brunswick provided that they meet specific entry and testing requirements and have pre-registered. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
<p>Nova Scotia 7, 8</p>	<p>As of October 4, travellers from Prince Edward Island and Newfoundland and Labrador are subject to same restrictions as travellers from all other provinces and territories.</p> <p>Domestic travellers entering Nova Scotia must follow self-isolation protocol dependent on vaccine status: 2 doses at least 14 days before arrival = no self-isolation; 1 or 0 doses = 7-day self-isolation and 2 negative tests.</p> <p>No self-isolation upon entering Nova Scotia for fully vaccinated foreign nationals provided that they meet specific entry and testing requirements. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Nova Scotia, but must follow strict public health measures that include avoiding crowded settings.</p>	<p>As of October 4, travellers from Prince Edward Island and Newfoundland and Labrador are subject to the same restrictions as travellers from all other provinces and territories.</p> <p>No travel restrictions for domestic travellers entering Nova Scotia, but they must complete the Safe Check-in Form and refer to the self-isolation protocol dependent on vaccine status.</p> <p>Fully vaccinated foreign nationals can travel to Nova Scotia provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
<p>Prince Edward Island 9</p>	<p>As of September 28, fully vaccinated people aged 12 and older entering Prince Edward Island from any province or territory and who have a PEI Pass do not have to self-isolate but are asked to get tested at least once between day 4 and day 8 after arrival. All school-age children under 12 years of age are asked to get tested twice, on day 4 and on day 8.</p> <p>As of September 30, all travellers over the age of 8 entering Prince Edward Island, regardless of vaccination status, will be tested at point of entry. Unvaccinated or partially vaccinated PEI residents and Canadian visitors entering Prince Edward Island from any province or territory are required to complete a declaration form and self-isolate for 8 days, with testing at point of entry and on day 8.</p> <p>As of September 28, no self-isolation upon entering Prince Edward Island for fully vaccinated foreign nationals provided that they meet specific entry and testing requirements. All travellers, regardless of vaccination status, are asked to get tested at least once between day 4 and day 8 after arrival. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Prince Edward Island, but are asked to get tested twice, on day 4 and on day 8, and must follow strict public health measures that include avoiding crowded settings.</p>	<p>As of September 25, residents of Prince Edward Island are advised to avoid non-essential out-of-province travel.</p> <p>All Canadian residents can travel to Prince Edward Island with restrictions for those who do not have a PEI Pass. As of September 28, a PEI Pass will only be issued to individuals who have received their second dose of an approved vaccine at least 14 days prior.</p> <p>Fully vaccinated foreign nationals who have a PEI Pass can travel to Prince Edward Island provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
<p>Newfoundland and Labrador 10, 11</p>	<p>As of September 30, the Atlantic bubble is suspended: all travellers from New Brunswick, Nova Scotia and Prince Edward Island must declare their vaccination status. In addition, all travellers who are partially vaccinated now have the same requirements as unvaccinated travellers: they must self-isolate for 14 days, but can shorten this period by producing a negative test on day 7 or later after arrival.</p> <p>Fully vaccinated Canadian residents have no testing or self-isolation requirements. Mixed groups of vaccinated and unvaccinated adult travellers must follow the rules for unvaccinated travellers. Unvaccinated children under the age of 12 travelling with fully vaccinated adults are not required to self-isolate.</p> <p>No self-isolation upon entering Newfoundland and Labrador for fully vaccinated foreign nationals provided that they meet specific entry and testing requirements. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Newfoundland and Labrador, but must follow strict public health measures that include avoiding crowded settings.</p>	<p>All Canadians are permitted to enter Newfoundland and Labrador. All travellers can complete the Travel Form up to 30 days prior to their travel date.</p> <p>Fully vaccinated foreign nationals who have submitted the Travel Form up to 30 days prior to their travel date can travel to Newfoundland and Labrador provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>
<p>Yukon 12</p>	<p>No self-isolation required for domestic travellers entering Yukon.</p> <p>No self-isolation upon entering Yukon for fully vaccinated foreign nationals provided that they meet specific entry and testing requirements. Unvaccinated children under 12 years of age of fully vaccinated travellers are not required to quarantine upon entering Yukon, but must follow strict public health measures that include avoiding crowded settings.</p> <p>The Government of Canada has specific guidelines for driving to or from Alaska through Canada. Read the State of Alaska's health guidance for travellers during the COVID-19 pandemic.</p>	<p>No travel restrictions for domestic travellers entering Yukon. Several First Nations governments and communities currently have travel advisories in place. Travellers are asked to travel responsibly and follow the Safe 6.</p> <p>Fully vaccinated foreign nationals can travel to Yukon provided that they meet specific entry and testing requirements. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.</p>

Traveller self-isolation required?

Travel restrictions?

Northwest Territories ^{13, 14, 15}

No self-isolation required for fully vaccinated travellers admitted into the Northwest Territories (residents, non-resident essential workers or travellers with an exemption). Fully vaccinated travellers going to communities other than Yellowknife, Inuvik, Fort Smith, Hay River, Fort Simpson and Norman Wells require a COVID-19 test on days 1 and 14. Mandatory 8-day self-isolation for partially vaccinated admitted travellers with a COVID-19 test on day 8. Mandatory 10-day self-isolation for unvaccinated admitted travellers, including children under 12 and household members who did not travel, with a COVID-19 test on day 10. All travellers entering the Northwest Territories must file a self-isolation plan, regardless of vaccination status. To fill out a self-isolation plan and find further information about NWT travel restrictions, visit the Government of the Northwest Territories [website](#).

No self-isolation upon entering the Northwest Territories for [fully vaccinated](#) foreign nationals provided that they meet specific [entry and testing requirements](#) and who are admitted to enter the Northwest Territories. Unvaccinated children (and those travelling with them) will not be able to forgo the mandatory 10-day isolation requirement. All travellers entering the Northwest Territories must file a self-isolation plan, regardless of vaccination status. To fill out a self-isolation plan and find further information about NWT travel restrictions, visit the Government of the Northwest Territories [website](#).

As of October 4, travel to and from Behchoko is restricted to fully vaccinated travellers who are not identified as contacts of, or share accommodations with, a person with COVID-19, with some exceptions.

Leisure travel into the Northwest Territories by non-residents is currently not permitted. Exemptions are considered for compassionate reasons, family reunification, exceptional circumstances, travel from Nunavut, and remote tourism with tourism operators with plans approved by the Chief Public Health Officer.

[Fully vaccinated](#) foreign nationals may be authorized to travel to the Northwest Territories only to participate in remote tourism with an approved remote tourism operator provided that they meet specific [entry and testing requirements](#). Fully vaccinated foreign nationals must have an exemption from the Northwest Territories Chief Public Health Officer; exemption requests will be assessed on a case-by-case basis. Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.

Nunavut ^{16, 17, 18}

As of September 17, the Common Travel Area with Churchill, Manitoba is closed. All unvaccinated travellers who arrived in Nunavut on or after September 12 must isolate immediately for 14 days from the day they entered the territory. Vaccinated travellers who returned to Nunavut from Churchill after September 12 must wear a mask and monitor for symptoms for 14 days.

No isolation required for travellers admitted to enter Nunavut who are fully vaccinated and who have received an exemption after completing the [Traveller's Declaration Form](#). Mandatory 14-day isolation for all other admitted travellers prior to boarding a plane to Nunavut except for those travelling directly from Nunavik, Quebec.

Mandatory isolation must occur in government-designated sites in Edmonton, Winnipeg, Ottawa or Yellowknife.

Unvaccinated children travelling with fully vaccinated parents or guardians can self-isolate for 14 days in Nunavut rather than at a government-designated site outside of the territory.

No self-isolation upon entering Nunavut for [fully vaccinated](#) foreign nationals provided that they meet specific [entry and testing requirements](#) and are admitted to enter Nunavut. Unvaccinated children will not be able to forgo the mandatory 14-day self-isolation requirement.

As of September 29, travel in and out of Coral Harbour is not recommended.

As of September 20, travel in and out of Kinngait is not recommended.

As of September 17, the Common Travel Area with Churchill, Manitoba is closed. All existing Common Travel Area authorization letters are no longer valid.

Entry into Nunavut requires authorization from the territory's Chief Public Health Officer. Authorization may be granted for: residents, critical workers, those travelling within the Common Travel Area of Nunavik, Quebec, and non-residents entering for family reunification, exercising Aboriginal or treaty rights, or engaging in wilderness tourism with an operator that has an approved Wilderness Tourism Operator COVID-19 Operations Plan.

[Fully vaccinated](#) foreign nationals may be authorized to travel to Nunavut provided that they meet specific [entry and testing requirements](#). Entry will continue to be prohibited for foreign nationals who are not fully vaccinated.

Most Parks Canada places will be open and welcoming visitors with adjustments to access and services. Access to visitor facilities and services may be limited. Please consult the Parks Canada website for an updated list of specific Parks Canada locations with special instructions: <https://www.pc.gc.ca/en/voyage-travel/securite-safety/covid-19-info#locations>

Most provinces and territories have implemented a framework to guide re-opening strategies catered to their individual circumstances. Since each province and territory is starting from a different baseline to implement the reopening of their local economy, the phases and stages are not congruent across jurisdictions. The table below outlines the current status of restrictions on tourism-related sectors as of October 6, 2021. Unless noted, persons must gather and business must operate with sufficient social distancing measures in place. Many destinations require non-medical masks to be worn and all visitors should plan on having masks ready if needed.

Tourism Related Measures

	Current Phase/Stage	Hotels & Accommodation	Restaurants & Dining	Activities & Attractions	Large Gatherings/ Conferences
British Columbia 19, 20, 21, 22	BC is in Step 3 of its 4-step Restart Plan .

Businesses that cannot maintain physical distancing can have maximum 10 customers. Theatres, galleries, museums and arenas can have maximum 25% capacity or 25 people, whichever is less. No group tours are allowed. All municipal and territorial parks remain open, but buildings are closed.</p> <p>Rest of Nunavut: Businesses can open with sufficient physical distancing. Businesses that cannot maintain physical distancing can have maximum 10 customers. Galleries and museums can have maximum 50% capacity or 25 people, whichever is less. Group tours can have up to 10 people and masks are mandatory. Theatres can have maximum 75% capacity or 100 people, whichever is less. All municipal and territorial parks can open. Arenas can have maximum 50% capacity or 50 people, whichever is less.</p>	<p>As of October 5 in Kinngait: Gatherings in homes are limited to a household plus 15 people. Outdoor gatherings are limited to 100 people. Indoor public gatherings can have maximum 50% capacity or 50 people, whichever is less.</p> <p>As of September 29 in Coral Harbour: Gatherings in homes are limited to a household plus 5 people. Outdoor gatherings are limited to 25 people. Indoor public gatherings can have maximum 25% capacity or 25 people, whichever is less.</p> <p>Rest of Nunavut: Gatherings in homes are limited to a household plus 15 people. There are no restrictions on outdoor gatherings. Indoor public gatherings can have maximum 50% capacity or 50 people, whichever is less. Indoor gatherings in community halls, conference spaces, and within government and Inuit organization facilities can have maximum 75% capacity or 100 people.</p>

2. METHODOLOGICAL NOTES

I. Travel-Related Measures: In conjunction with provincial and territorial partners, Destination Canada has sourced information directly from provincial and territorial government websites; additional insights are provided by provincial and territorial partners where relevant or where information from official sources is incomplete. The intention for this section is to provide the latest available information as of the date of the report. Given the evolving nature of these measures and phased opening strategies, readers are encouraged to seek information from official government sources for the most current information.
